

2017 ISHP Annual Fall Meeting

“How To” Register for ISHP Events Using Learning Express

1. Go to: ishp.learningexpressce.com
2. Click on the ISHP Meeting that you wish to register for (Pharmacist & Resident Program or Technician Program)

REGISTRATION IS NOW OPEN
See Details on Registration Below
September 29th - October 1st, 2017
Sun Valley, Idaho

Please make sure you register for each session you wish to attend and receive credit for during the upcoming program or meeting. Additional information on how to properly obtain your CE credits will be provided at the meeting, but the requirements are also included in the FAQs and within the registration forms. Please make sure to ensure your information is properly entered in the registration forms as incorrect data may delay receipt of your CE credits.

Please don't forget to renew or initiate your ISHP membership. By becoming a member you receive the benefits of membership and registration savings at all ISHP Meetings, Events, and Education Programs that will more than pay for the cost of your membership. We would encourage you to take advantage of the ISHP meeting / CE discounts, professional development and networking opportunities that the ISHP provides. As an ISHP member you gain discounts on registrations fees at all ISHP conferences and CE opportunities. Moreover, your membership helps bring about positive change and a unified voice on issues that are important to you and the industry of pharmacy. If you are interested in receiving discounts on your registration, please click the link below, and become an ISHP member or renew your membership. We greatly appreciate your consideration and we look forward to seeing you at upcoming events and conferences!

Requirements for CE Credit

To claim CE Credits: Registrants must attend the activity [in its entirety](#) and complete the post-test and the full conference evaluation, online, through Learning ExpressCE in accordance with the National Association of Boards of Pharmacy (NABP) pharmacy credit reporting program. Participants will have 90 days after the completion of the program to submit an evaluation for the activity. To claim credit and to help us assess your future educational needs, you must complete the evaluation process by May 31, 2017 for the 2017 Spring Meeting. After May 31st, 2017 (for Spring), you will not be able to submit an evaluation and obtain credit for the program. After you have completed your evaluations, ISHP will report your credits to CPE Monitor for transmittance to IACET.

Discounts are Available - You May be Eligible for discounts, see below to learn how you qualify.

- Register for all 3 days of the conference and use the Coupon Code **ALL3DAYS2017** and receive a discount.
